## QUIZ

A quiz is a game that consists of a questionnaire to test general or specific knowledge or skills.

board games

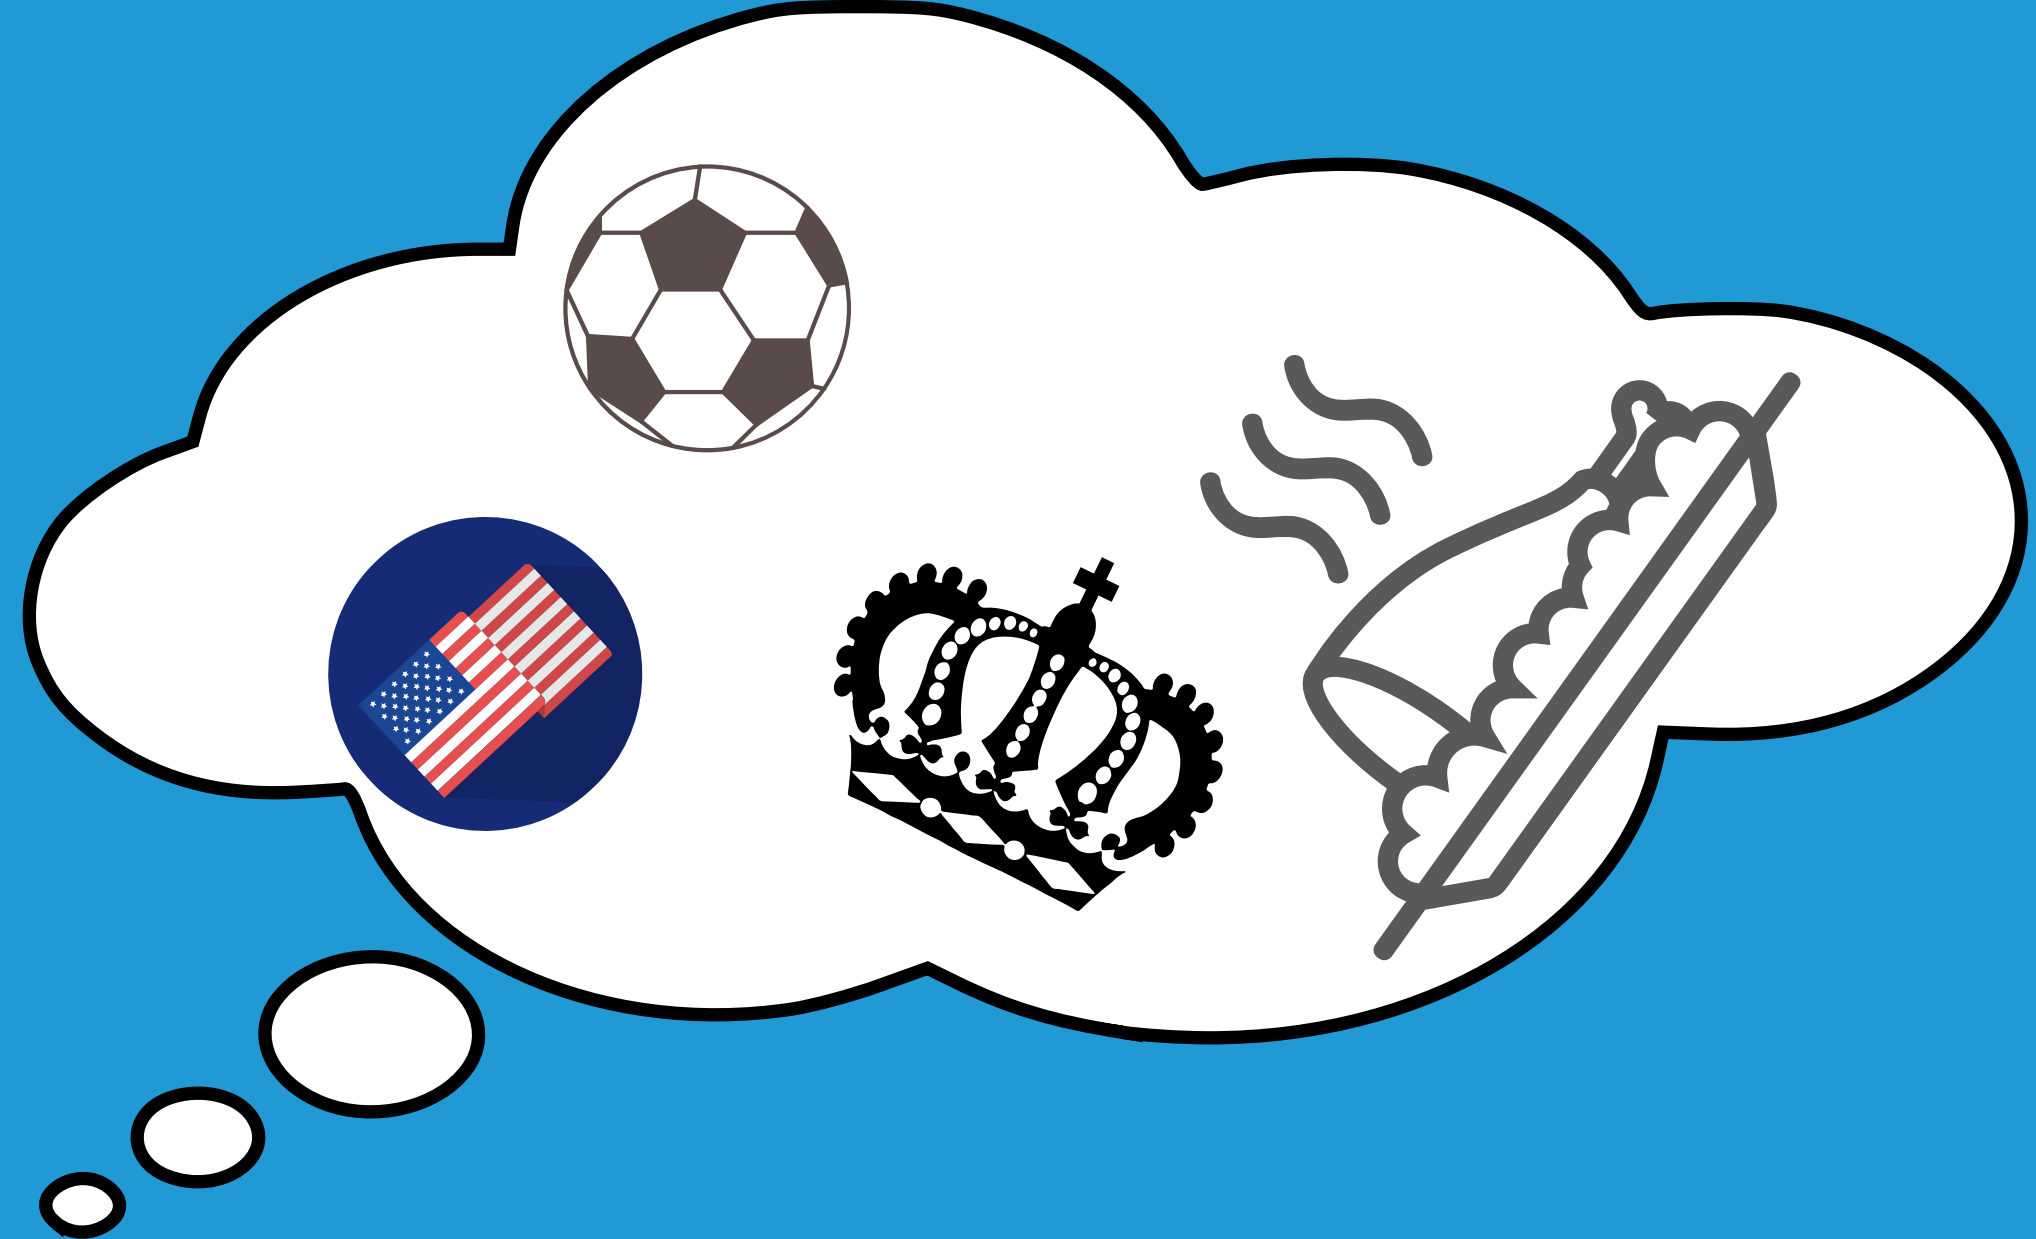

# Become A Beste

## LEARN WHILE HAVING FUN

One can be in the form of a multiple choice questionnaire or a simple questionnaire, but the major difference with another knowledge or personality test is that the participant is expected to have an undeveloped answer of one or two words. The quiz allows the child user as an elderly person to study while having fun. im allows to acquire new knowledge to improve your culture

# Category
